A child simply will not sopp playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets singish, stomach sour then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children luxe it, and it never fails to act on the stomach, liver and bowels.

It's Easy-If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes - pimples - a bilious look in your face - dull eyes with no sparkle.
